

Washing & Aftercare

Please wash all clothing, cushion covers and bags inside out at 30 degrees on a machine wash cycle such as 'handwash' or 'delicate' and dry naturally.

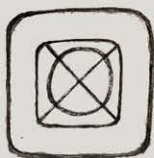

Handwash quilted items or machine wash on a 'handwash' or 'delicate' cycle at 30°.

Reshape whilst damp and dry flat, naturally.

With quilted items, you can shake a lot of the creases out whilst damp. The beauty of the quilted fabric is the crinkled effect you get when washing, however, if you do need to iron your quilted item, please do so on a low setting.
